

FIRST IMPRESSIONS COUNT

Have you ever noticed how your face, hands and feet are constantly on display? With a facial, manicure, French manicure or pedicure, you can be assured you will look your best.

Therefore, to be a living beauty and a modern woman of today, why not take advantage of our **Nail Works Package?** You'll be in and out in a flash, with your true beauty displayed for the world to see!

Plus you can enhance your mind and body wellbeing with the invigorating power of negative ions through an Ionspa treatment. This natural rejuvenation process takes only thirty minutes after which you will see and feel the difference for yourself.

NAIL WORKS

manicure and pedicure

Manicure

Cut and reshape the nails, soak in moisturizing hand soak, cuticle work, hand moisturise and massage and finish with nail polish in your choice of colour.

Pedicure

Cut and shape the nails, Pedipad (to remove dry skin), soak in purifying foot soak, cuticle work, lower leg and foot massage and finish with nail polish in your choice of colour.

Hand Spa

Hand Spa leaves the hands feeling smoother and softer. This includes lemon and sea salt exfoliation, cutting and shaping the nails, buffing, hand soak, cuticle work, hand massage, moisturizing paraffin treatment and polish.

Foot Spa

Foot Spa leaves the feet feeling revived and refreshed. This also includes lemon and sea salt exfoliation, pedipad (to remove dry skin) cutting and shaping the nails, buffing, foot soak, cuticle work, lower leg and foot massage, foot mask and polish.

Ion Spa

Detoxify and feel great through your feet in just 30 minutes. Detoxifying is essential to maintain good health. Negative Ions are our invisible electric energy balance.

5 minutes

15 minutes

30 minutes

The Ion Spa sends millions of negative Ions into the body to neutralize toxins and rejuvenate our cells. When our cells are fully charged, they have more oxygen, which results in feeling better, having more energy, and enables the body to heal itself.
